Live Love Lax - Summer 2022 Hotels  
Room Blocks Expire Dec. 6, 2021

Parents,

Hotels Specifically for the Live Love Lax tournament, summer 2022, season are listed here by team. You may feel anxious and want to book hotels for other tournaments as well. I ask you to please refrain until you get a booking link from me. Many of our tournaments are stay-to-play and require booking through assigned travel companies.

**Other tournament hotel links will be available within the next few weeks.**

#### FAQs

1. Cancellation policies: Cancellation policies will vary both by housing company and individual hotels. A housing company may have an earlier cancellation / change policy than the hotel. Please pay attention to all of the details.
2. Dates of play: Pay attention to dates of play and books your reservation accordingly. When in doubt, reach out to Brenda or check the tournament website directly.
3. Stay-to-play: When a tournament is stay-to-play our club is responsible to book a % of rooms at the offered hotels. We must meet the stay-to-play requirements in order to participate in the tournament. We ask that all families adhere to these rules.
4. Communication: When booking with tournament companies, you should contact them directly with any questions regarding your reservations before contacting the hotels. Room blocks are often not released to individual hotels until a week or two prior to the event; therefore, the hotel will not have a record of your reservation until that time.
5. Changes: Tournaments have been known to change locations and dates of play. I will communicate these to you directly, should the situation arise.
6. Better to be safe than sorry: Many people will wait until closer to the tournament date to look for a hotel room. My suggestion is to book early and cancel if needed. Cancellation policies are usually one month to a few days prior to the reservation date.

If you have any questions, troubles or see any errors in this information, please reach out to me directly.
