Parents,

Hotels Specifically for the USA Lacrosse Nationals Summer 2022 are listed here by.

This tournament is in Frederica, DE and hotels in the immediate area are few. This is a stay-to-play tournament and requires booking through assigned travel companies.

These booking links expire on Jan. 28th; and once other clubs give back rooms to the hotels, we will be provided additional rooms to add to our inventory. I have requested an extension for our blocking links to remain active through the 18th, but have not been granted that extension yet.

Brenda

These rooms are currently **NOT RESERVED**. They are only on hold temporarily until they are booked via your group's booking link, provided below.

Rooms not reserved by **end of the day on 1/28/2022 will be released from the hold block and returned to general inventory.**

I am also providing the general hotel booking link for the tournament. There are other hotel options still available and some are in the Rehoboth Beach Area. I hesitated to create room block as these hotels due to the cost and distance both from NJ and to the tournament. However, you are welcome to book at any of the approved hotels under the HBC Tournament website or call HBC directly to set-up a room block at a Rehoboth Beach Area hotel for your team or group should you wish to be near the beach.

- I recognize that these hotel options are rather far from the fields. Again, once clubs' booking links expire additional rooms will be given to us from close properties. You can book one of these properties to be safe and then move your reservation when something closer opens. You can also use the General Booking link (see above) to see what else may become available throughout the months leading to the event.
