

Parents,

Hotel booking links for Summer 2022 Tournaments are live. They are listed here by team. Please read through FAQs below and if you have any questions or confusion with this information please reach out directly to Brenda.

FAQs

1. Cancellation policies: Cancellation policies will vary both by housing company and individual hotels. A housing company may have an earlier cancellation/change policy than the hotel. Please pay attention to all of the details. Additionally, some hotels have 2 night minimum stay policies.
2. Dates of play: Pay attention to dates of play and book your reservation accordingly. The tournaments listed here are all 2 day tournaments. When in doubt, reach out to Brenda or check the tournament website directly.
3. Communication: When booking with tournament companies, you should contact them directly with any questions regarding your reservations before contacting the hotels. Room blocks are often not released to individual hotels until a week or two prior to the event; therefore, the hotel will not have a record of your reservation until that time.
4. Changes: Tournaments have been known to change locations and dates of play. I will communicate these to you directly, should the situation arise.
5. Better to be safe than sorry: Many people will wait until closer to the tournament date to look for a hotel room. My suggestion is to book early and cancel if needed. Cancellation policies are usually one month to a few days prior to the reservation date.
